## No Bake Dog Treats

### Ingredients

- 1 cup pumpkin puree
  - 2 1/2 cups rolled oats
  - 1/2 cup water
  - 1/2 cup peanut butter (make sure it is xylitol free. Xylitol is dangerous for dogs.)
  - 2 tbsp of honey
- 
- Large mixing bowl
  - Mixing spoon
  - Wax paper
  - Baking sheet or large plates

### Instructions

- In a large mixing bowl, combine the water, puree, peanut butter, & honey to make the mixture. Stir well to combine.
- Add the oats to the pumpkin mixture and stir well to mix everything.
- Scoop out a portion of the mixture. Using your hands, roll the mixture into small spheres and set them aside on wax paper on a baking sheet or plate.
- Refrigerate the finished treats for 24 hours before serving to harden. Store in an airtight container.

Make sure you do not give your dog too many treats at one time!
