

Pet information for future caregivers (cat)

Instructions: Please fill out the following information with as much detail as possible. Attach additional pages as necessary and place this document, along with any pertinent veterinary records, with your last will and testament or final directives. We recommend reviewing and updating this information annually or as frequently as your cat's situation changes. If you plan to leave your animal in the care of a friend or family member, review this document with them after you complete it. If you plan to leave your animal in the care of a shelter to place it in a new home, please leave instructions to bring this form and any veterinary records to the shelter along with your cat.
